

## REEMS CREEK NURSERY

# ROSE LIST for 2022

Roses enchant us with their gorgeous flowers in the garden and cut flowers on the table; many continue to rebloom through the growing season.

We receive two main rose shipments every spring, both around mid-April. We continue to receive Knockout and Drift Roses throughout the season but won't be able to restock most of the other roses until Spring 23 after these initial orders arrive – *so if you love it, buy it while it's here!*

**Roses are in 3-gallon pots unless otherwise noted.**
